

# RESPECT ETHOS

YOUR VALUES = YOUR COLLEGE

## RESPECT YOURSELF

- Attend all lessons and coaching sessions and work hard
- Be punctual: arrive before the start of lessons and fully equipped
- Use the toilet outside of lesson times, unless you have a medical need
- Arrange part-time work, holidays and appointments outside of college time
- Participate fully in lessons and use independent study time to develop your knowledge and understanding
- Take pride in completing class work, homework and assessments to the best of your ability

## RESPECT EACH OTHER

- Respect and celebrate our diversity
- Wear your student ID at all times in college
- Behave in a professional manner, and cooperate with all staff and students
- Act in a respectful, non-threatening manner using acceptable, inoffensive language, including when speaking to staff or students online
- Use only the designated area for smoking

## RESPECT STAFF

- Only use phones in lessons for learning and only with the permission of the teacher
- Meet deadlines for homework and coursework
- Comply with request from staff
- Attend compulsory catch up and supervised study as directed by staff
- Ask for help, and offer help to other students and staff

## RESPECT THE ENVIRONMENT

- Enjoy food in public areas of the building only
- Keep all food out of the library and classrooms
- Sort your waste into recycling and land fill
- Listen to music using earphones and at a level that doesn't disrupt others
- Play your part in keeping the college presentable and professional
- Only cold drinks are allowed in classrooms
- Keep all drinks out of Science, Art and Drama rooms
